

This notice has important dates for next year as well as information regarding your child's stationery requirements for 2022. We have printed this letter on coloured paper so please ensure you keep it in a safe place ready for the new year (e.g. attach it to the fridge door).

Stationery

The list of stationery requirements for your child's class level for 2022 is on the back of this page. The school does not sell stationery. This year we have arranged for you to order your stationery online through Qizzle www.schoolpacks.co.nz. Qizzle advise that you are able to order your packs any time from today until mid January to guarantee delivery before the start of school. We are confident that Qizzle pricing is competitive so do recommend that you order your school stationery through them. Alternatively, you may wish to collect your stationery items from other stationery suppliers; **however, we ask that you ensure the brand of item specified is purchased as per our list over the page, note that some suppliers other than Qizzle may not have the requested books.** Should you lose this notice, copies of our stationery lists are on our school website www.albany.school.nz.

We ask that every student has a book (journal) bag. Your child will need to have one of these at all year levels to be able to take books home from our school library.
